SOUTH PITTSBURG VAUDEVILLE PERFORMANCE

The South Pittsburg Vaudeville Co. filled its date here Friday night and a delighted audience expresses the impression they left when their performance was ended. The work of the performers was uniformly excellent. The singing was good, and the company numbers several fine voices (soloists) besides a strong chorus. The impersonations of dark characters was excellent, and there was nothing the matter with the dancing. The concluding section of the performance was a cake-walk, and it was a regular rip-sawyer. The beauty of the whole affair is that the boys connected with the company, there are no ladies, except the pianist, Miss Haskew, are gentlemen. The affair was under charge of G. E. Deatheridge, while the stage business was under charge of Alf Williamson. The following was the program: "Dispossession Means Move," Alf Williamson, "Linda," Milt Humble, "Just Because I'm From Missouri," Ed Haskew, "Asleep in the Deep," Dick Williamson, "Hannah, Won't You Open the Door," Miles Cameron, "Echoes of my Rocky Mountain Home," Robt. Goodgame, "My Country 'Tis of Thee," "Three Cheers for the Red, White and Blue," Chorus, "Nellie Was a Lady," Quartet: Milt Humble, Horace Jones, A. Williamson, D. Williamson, "There's a Chicken Dinner Waiting Home for Me," Miles Cameron, Dance, Miles Cameron and Alf Williamson, "I want Some One to Call Me Honey," Ed Haskew, "The Whole Damn Family," Dick Williamson, Cake Walk. Between songs were negro farces.

Black Face artists:—Ends, 1st, Jones, Williamson; 2nd, Cameron, Haskew; 3rd, Smith, Humble.

Interlocutor, Weisner.

Middle men, Milt Humble, Stewart, Goodgame, Williamson, Bible.

The financial end of the entertainment resulted as follows: Gross proceeds, \$24.00; Expenses, \$15.00. Net proceeds, \$9.00. According to agreement the proceeds were divided, \$4.50 to the Vaudeville Co., and \$4.50 to the Town Hall.

The company expects to come back here at some future date, and, no doubt, a much larger audience will assemble to witness their productions.

My hands were filled with many things, which I did precious hold, as any treasure of the kings', silver or gems or gold. The master came and touched my hands, the scars were in His own, and at His feet my treasures sweet fell shattered one by one.

"I must have empty hands," said He. "Wherewith to work my works through thee." My hands were stained with marks of toil, defiled with dust of earth and I my work did oftentimes soil and render little worth. The Master came and touched my hands and crimson were His own and when, amazed, on mine I gazed, Lo! every stain was gone. "I must have stainless hands," He said, "wherewith to work my works through thee." School Boy.

NANCY KEEF.

PETROS.

Special to the News.

Mr. Editor: Being compelled to lay and pant for breath, I failed to appear in last week's issue of your valuable exponent of human rights, but through the mercies of a divine Providence and the medical skill of Dr. Gott and the kind nursing of Mrs. Copperas Breches, I am able to scratch down a few items from the most important town of the good county of Morgan.

Petros has begun to take on city airs, it being now lit up by electric lights. The lights were turned on the 24th and gives to the Y. M. C. A. building a very brilliant appearance. The are lights on the streets makes it very convenient for pedestrians at night. All has been done by the generosity of the general manager of the Big Brushy Coal and Coke Company, A. H. Wood. Hamilton is a hustler when it comes to business.

Petros is now on a real estate boom, quite a number of transfers having been made in the last week or ten days. It looks like the town in the big sinkhole was destined to become the town of Morgan county.

Work on the power house has been resumed. It is a concrete building and when completed will be another addition of which the town and county may be proud of. The building is 100x30 feet and will be 20 feet high. The work of putting in the concrete arch at the mines is progressing finely and will soon be completed.

The Rev. Joe Vasey was in town on the 26th inst., and ye scribe had the pleasure of his company for a short time. He was enroute home from Whitwell.

We are always glad to see Joe and he is always a welcome visitor, although John says he is English, and judging from what I see in the News I am of the opinion that John is going to get more of his English than he relishes. Lay on, MacBeth.

Some sneak thief entered the residence of B. F. Cowan on the night of the 24th or 25th and while the family slumbered he abstracted \$20. The whereabouts of the thief is not known but the old man fully realizes the fact that he is short two tens.

Yes, Bro. Gabe, I have a very vivid recollection of what a north wind is having lived in the windiest state in the U. S. for seven years, and while you think that I would enjoy your Illinois breezes, I never got used to Kentucky blizzards. Come down, Bro. Gabe, from your frigid atmosphere of your northern home and enjoy the balmy sunshine of an East Tennessee sky and the gentle breezes that fan the towering peaks of Big, Brushy Flag Pole and Fodder Stack mountains, to say nothing of little Brushy mountain on the south. No, Bro. Gabe, I will stay in Sunny Tennessee.

Sam Colson has resigned his position as engineer for the Big Brushy Coal Company and has moved his family to Carbon Hill.

John Moevogro is still able to fox hunt. He was out to a late hunt Saturday night. His luck was as usual. Neither fur nor meat, but lots of walking.

Mrs. M. D. Moss and Mr. and Mrs. John Carlyon were calling on Mr. and Mrs. B. F. Cowan Sunday evening.

With kindest regards to the News staff.

In Time of Peace.

In the first months of the Russia-Japan war we had a striking example of the necessity for preparation and the early advantage of those who, so to speak, "have shingled their roofs in dry weather." The virtue of preparation has made history and given to us our greatest men. The individual as well as the nation should be prepared for any emergency. Are you prepared to successfully combat the first cold you take? A cold can be cured much more quickly when treated as soon as it has been contracted and before it has become settled in the system. Chamberlain's Cough Remedy is famous for its cures of colds and it should be kept at hand ready for instant use. For sale by Jno. W. Simpson, Jasper, Tenn.

After taking Electric Bitters, she was perfectly cured, and can now perform all her household duties." Guaranteed by all druggists, price 50c.
